Black Hills Ultrasound is an organization of sonography professionals committed to excellence and access to the highest level of quality ultrasound available right here in the Black Hills and in the surrounding communities we serve. We have partnered with rural hospitals in the region to bring quality ultrasound imaging to our patients right down the street at their local community hospital or clinic. **Now we are also available right here in Rapid City! Located within Black Hills Imaging Center, Black Hills Ultrasound is ready to provide outstanding outpatient ultrasound services in this beautiful, convenient, and patient friendly environment.**

Our ultrasound technologists or sonographers are board certified in every area of ultrasound they perform and are credentialed through the *American Registry of Diagnostic Medical Sonographers*.
