

I LIKE MIKE!

The Right Priorities:

- **Economic Development**
Mike's family has been in business and part of this community since 1934.
- **Education**
Great schools are needed to make South Dakota competitive. Mike's school board experience gives him the background to move education forward.
- **Effective Leadership**
Mike prefers a collaborative approach to grandstanding for sensational headlines.
- **2nd Amendment Rights**
Mike has a long history in the Legislature of defending the Second Amendment and promoting safe hunting.
- **Law Enforcement Advocate**
Mike was a law enforcement officer and knows the challenges they face.

Common sense priorities. Common sense approach. Common sense conservative.
